

Roberta Roberts-Potts

MY DAD, ORAL ROBERTS

Larger-than-life personalities sometimes are defined by perceptions rather than reality. Pioneering evangelists are often portrayed by Hollywood actors, and mocked by media figures who do not share the same worldview. In the case of Oral Roberts, the light his ministry shed on the American landscape sometimes obscures the man.

Now, a remarkable memoir from his daughter, Roberta Roberts-Potts, illuminates the personality behind the healing crusades, international ministry, and landmark university. A portrayal of a father/daughter relationship written by his previously silent daughter, *My Dad, Oral Roberts* provides a gripping peek into the life of a compelling figure—one of the 20th century's leading religious and cultural icons.

ROBERTA ROBERTS-POTTS

is a practicing lawyer in Oklahoma, who grew up as the youngest daughter of Oral Roberts. She graduated from Oral Roberts University, with a Bachelor of Arts in History in 1973 and later, a Juris Doctor, cum laude, in 1987. In 2010, she was asked to serve on the Board of Trustees of her alma mater.

KEY MARKETING POINTS

COMPARABLE TITLES

Subject Matter:

- *Being a “PK” (preacher’s kid) carries with it certain responsibilities and stigmas that other kids are not familiar with.*
- *The families of men and women called of God to special purposes are not immune to the same trials and tribulations that other families face.*
- *All men of God, both biblical and modern- day, are created equally; they all have “feet of clay,” despite the call upon their lives.*

Promotion:

- *ICON will promote this title with a marketing campaign using banner ads, email blast and media sheet promotion, to both our ABA and CBA sales channels.*
- *ICON's Marketing Department will develop and produce news worthy copy, and distribute to its blogging partners and web affiliates.*
- *ICON will identify specialty accounts and market to those, as well.*
